

FREE FISHING IN STATE PARKS!

Whether you're fishing from the bank or pier, wade fishing or even from a boat in a lake that is fully contained within the park boundary, no one needs a fishing license inside any Texas State Park. Check at the park headquarters for more information.

NO FISHING LICENSE REQUIRED!

To help encourage people to get out and experience our wonderful Texas state parks, and enjoy the great sport of fishing, we've waived all the license and stamp requirements for anyone fishing inside any Texas state park.

Regardless of age or residency, no one needs a fishing license at any time while within the park boundary, whether fresh or salt water. Once you've paid your entrance fee, you can fish from the bank or pier, wadefish, or even from a boat if the lake is fully contained within park property.

For more information about Texas State Parks, call (512) 389-8900 or visit www.tpwd.state.tx.us/parks
